題目 : Designing one's own career: From professional narrator to vegan consultant

講演者 : Nadia McKechnie 氏

日時 : 12月1日(木) 4限 (15:05—16:35)

場所 : 9号館 3階 931教室

With about 20 years of experience as a narrator, **Nadia McKechnie** has narrated commercials, promotional videos, and educational content—in Japan and abroad. She has also done film work, appearing in educational videos and television programs commenting on various aspects of British culture. This year, she established Vegan Consulting Japan Co., Ltd. with the aim of helping Japanese companies join the growing worldwide vegan market. In her talk, she will discuss her career path and give advice about how one might follow opportunities to forge a unique career trajectory.

講演者プロフィール :

Originally from London UK, Nadia McKechnie has been involved in the Japan vegan scene since 2013 as the organizer of Tokyo Vegan Meetup—the biggest vegan event group in Japan with over 8,700 members. (Winner of The Japan Vegetarian award for best vegan community group in 2019.) Nadia is an active member of the Veggy Council Japan, a bipartisan committee of lawmakers and vegan-interested groups set up in 2019, in the Japan government, with the aim of making Japan more vegan-friendly.
